Draper 1 Parent Survey 2021

It's that time of year, the Annual Parent Survey!! It is so important to us that we get 100% participation in these surveys. Every year we make important school decisions and changes based on your input and comments. Please take the time to fill this out, once per family. Survey input and comments are anonymous; however, we will be tracking which families have submitted one so that your student(s) can get a free dress coupon to use on the last week of school! **All surveys are due April 2nd.**

Thanks for your continued support and commitment to our school and its desire for improvement.

You will need your Skyward appointed Family Number to fill out the survey. If you cannot find it on the original emails sent to you, please call the front office or email gknight@apamail.org and we can look it up for you.

Parent Empowerment Night: Child Safety and Prevention of Human Trafficking

Did you know there have been 70 cases of human trafficking reported **IN UTAH** in 2019? And over **330** cases since 2007 **IN UTAH**. This is not happening just in other places, this is happening on our streets. Sex trafficking, labor trafficking, male, female, old, young. Do you know how to spot it? We have invited 3 Strands Global Foundation to come and address this important topic and empower our families to learn and prevent. Please come join us **VIRTUALLY** on Tuesday, March 30th at 7 pm. This is appropriate for you to watch with your students and discuss as a family. There will be simultaneous Spanish translation available on the zoom call as well.
