NEW: Seeking Charter School Science Fair Judges

We are seeking volunteers to judge the **Salt Lake Charter Schools Science & Engineering Fair!** Because of the recent spike in COVID numbers, we have decided to change our fair to be held virtually this year. We hope that this precaution will allow more people to participate that may be in quarantine as well as prevent any additional spread.

We will NOT be doing any zoom interviews this year. Instead, we will be asking the students to prepare a slideshow about their projects. Judges will be emailed their assigned projects' slideshows and given three days (Feb 2-4) to score them at your leisure. If you can be a judge, please register using following this link: [_](#)

[Judge Registration](#)

The registration form will help us better match your expertise to that of the students competing in this fair, but don't worry at all about being an expert! The only requirement is that you are ready and willing to work with students and encourage their interest in science. Please contact us if you have any questions and thank you for your consideration of this opportunity!
