NEW: Virtual Parent Empowerment: Managing Stress and Anxieties

Recent events over the past couple of years have really brought our attention to how we manage---or don't manage--stress. There has been a reported increase in anxiety among youth and adults alike. Not managing it seems to increase the problem. But there are simple interventions if applied consistently can help you and your loved ones better manage stress and anxiety. Please join us for our Virtual Parent Empowerment Night on Tuesday, February 8th from 7-8:30 pm. We will talk about what happens in the body when we are exposed to situations that increase our stress and anxiety.

AMERICAN PREPARATORY ACADEMY

You will walk away with a few techniques to help you improve your ability to manage this. Your campus may have a bonus incentive for your attendance. Join us on Zoom. <https://uetn-org.zoom.us/j/87604322116>. Meeting ID: 876 0432 2116
