School Lunch Update

We hope your students are enjoying the meals provided by the school lunch program! We wanted to make parents aware of how elementary lunches are served. To facilitate easy delivery, the main dish and fruit are put in a bag, along with the snack that is sometimes included. The vegetable milk, and condiments are not included in the bag, but are provided in the caddy or cart. The lunch staff carefully tracks and adjusts the vegetable servings to provide enough for each student who would like them. If there is a shortage of milk, vegetables, or condiments, students are welcome to go to the lunchroom to get what is needed.

We welcome parent feedback, and have a new form for parents to let us know about their concerns or problems. If you choose to include your contact information, the lunch staff will follow up with you, or you can complete the form anonymously. <https://forms.gle/Ae6ULgLHorTKcwiki6>
