NEW 2022 Business Sponsorship Campaign

*The 2022 Business Sponsorship Campaign is in full swing! Don't miss your chance to get your business some super affordable advertisement. We are looking to our local school community to help us raise much-needed funds so we can continue to provide enrichment activities at the school. [See flyer here for more information.](#)

HOW CAN YOU HELP?

Each year, American-Preparatory-Education-Foundation (APEF) offers local businesses the opportunity to support our students by donating \$500.00. All donated funds go towards 'Enrichment Activities.' For your one-time donation, you'll receive a 'HALL OF FAME' banner at APA Campus-1. These banners are visible to every parent, every day, for the entire 2022-23 school year. Banners will be displayed at the Main APA Entrance, the North Parking Lot, all year long.

Donations Payable to: 'American Preparatory Education Foundation' (or 'APEF') (100% Tax Deductible)

NEW Virtual Parent Empowerment Workshop

What if you knew how to prevent death for your child? What would that be worth to you? Suicide is the #1 killer for our kids 10-24. Adults are also plagued by suicide with middle-aged men having the highest rate. However, there is something we can do and it's proven effective. Join us on Tuesday, September 13th at 7pm for a Virtual Parent Empowerment Workshop on Suicide Prevention. We will learn to recognize the signs of suicide, learn how to ask someone about suicide, and how to help get them to help. We will also look at ways to improve mental health and prevent suicide ideation and attempts. Everyone really can make a difference! Feel free to invite family and friends over and participate together. Your students will receive an incentive from your school for attendance.

NEW Free Period Products

Free Period Products

This year, our school is offering free period products (menstruation products) in our girls' and all-gender bathrooms in compliance with recent legislation (H.B. 162). Period product dispensers have been installed, providing free menstruation products for our students. We ask parents or guardians to please discuss the need for and proper use of these products with their children who may need to use them, and ensure they know the products are free to use when needed.

Productos para el período libre

Este año, nuestra escuela ofrece productos gratuitos para el período (productos para la menstruación) en nuestros baños para niñas y para todos los géneros de conformidad con la legislación reciente (H.B. 162). Se han instalado dispensadores de productos menstruales, proporcionando productos gratuitos para la menstruación de nuestras alumnas. Pedimos a los padres o tutores que analicen la necesidad y el uso adecuado de estos productos con sus hijos que puedan necesitar usarlos, y se aseguren de que sepan que los productos son de uso gratuito cuando sea necesario.
