**NEW Virtual Parent Empowerment: Mental Health and Wellness**

Among the many lessons learned during the last few years has been just how important it is to pay attention to our mental health and wellness as well as our physical health. In reality, our physical and mental health are intertwined. Most symptoms of mental illness emerge in the teenage-young adult years. Join us in our Virtual Parent Empowerment on Tuesday, October 11th at 7 pm as we explore what is mental health, how to identify symptoms of mental illness and how to get help, and the protective factors to help avoid serious issues. Your school may provide an incentive for participation. This topic is appropriate for students and parents so invite your students to participate with you. See you on zoom!

**NEW Business Sponsorship Campaign**

\*The 2022 Business Sponsorship Campaign is continuing as we need all the support we can get! This is the one fundraiser the FSO puts on so that we can fund all the events and activities that we are in charge of. Don't miss your chance to get your business some super affordable advertisement. We are looking to our local school community to help us raise much-needed funds so we can continue to provide enrichment activities at the school.

**HOW CAN YOU HELP?**

Each year, American-Preparatory-Education-Foundation (APEF) offers local businesses the opportunity to support our students by donating \$500.00. All donated funds go towards 'Enrichment Activities.'

For your one-time donation, you'll receive a 'HALL OF FAME' banner at the APA Draper 1 Campus. These banners are visible to every parent, every day, for the entire 2022-23 school year. Banners will be displayed at the Main APA Entrance, the North Parking Lot, all year long.

Donations Payable to: 'American Preparatory Education Foundation' (or 'APEF') (100% Tax Deductible)
