Field Day

Draper I FSO is still looking for someone to take over as FSO LEAD for the 2023-24 School Year. As I look back on the two years I served in this position, and my years volunteering at schools ever since 1998 (yes, I realize some of you parents were not even born yet but that's when my first child started Kindergarten) I am so grateful for all the opportunities I have been given and acted upon. There is definitely a "time and a season" for all things and over the years I have chosen to do at least "something" within the walls of the schools each year. I believe that by helping, and my children seeing that I am "around", it has done them a lot of good. I have always loved seeing how they learn and who is teaching and interacting with them and I believe it's helped them be more successful in school because I'm "in the know". *If you are on the fence about volunteering, I say, "DO IT!", it's always rewarding.*

I've had children attending APA schools since 2015 and I've enjoyed reading to students during lunch, donating soup during SAW, serving as the classroom AST, making copies and grading papers, reorganizing math fact bins, throwing parties, helping with culminating activity's, going on field trips, etc. Literally the list of how you can help at school goes on and on. *There is always a way for a parent to help at the school.* We are hoping that even if one person does not step forward to lead our FSO, that possibly a few of you could work as a team/committee and take on a task or two. Please let us know if this is of interest to you.

Each schools FSO is whatever those who are volunteering make of it. Things do not have to be done the way they have been done in the past or as they currently are. We welcome any and all help you're able to give. Maybe we've made the position seem overwhelming but the CommUNITY Events were something my husband and I came up with following those harrowing Covid years and we think they've been a terrific way to bring our school community back together after being split apart. Those types of events do not need to continue but we do need parental volunteers for many other activities and programs. Please let our school administration know where your interests are.

I've thoroughly enjoyed my nine years at APA, and I'm looking forward to many more. I even help at D3 and have really enjoyed helping with the activities they have for students there. I will still be around to assist and advise for the next two years as my youngest daughter will still be here through sixth grade, but my role as Lead has come to a close. *Thank you to everyone who has volunteered and helped with all we have done these past few years. We've made some great memories and fostered incredible friendships!*

Melannie Green FSO Lead 2021-23

APA DANCE CONCERT May 19th & 20th in D3 GYM

Join us for an amazing evening of dance as the award winning D3 Ballroom Teams and Dance Company perform “A Different Way To Dance.” You’ll see dances from many different countries and time periods, performed to many different genres of music.
