Sibling and Transfer Applications

NEW PROCESS, PLEASE READ CAREFULLY!

The 2024-2025 sibling and transfer applications are now available! We encourage you to apply ASAP as our lotteries will begin in January. We have made changes to our application process for new siblings.

Siblings- If you have a sibling student you would like to apply for, please do so at <http://www.americanprep.org/tours/>. You will register for a time to bring your prospective student to the school for a brief meeting. You will not be required to tour the school, however, your application will not enter the lottery until this step is complete! Do not delay this step as it will delay your application process.

Transfers- Students interested in applying for a different campus may do so here: <https://login.leadrox.com/v2/preview/KrlVvU9HV1Vg-gXUVEjHH>

6th Graders- 6th graders moving on to 7th grade DO NOT need to fill out a new application. Enrollment for 7th grade will take place when we begin re-enrollment for existing students in March.

Front Office Uniform Needs

We are in need of boy's khaki pants for the office. We need the following sizes for emergency use when students are at the school. We are in need of size: 8, 10, 12, 14, and 16 youth boys. Thank you!!!

 **Spirit Wear** Every 1st and 3rd Friday

FSO Corner

Join us for a *fun* D1 event for your family!
(Parents must accompany students to movie, no exceptions!)
