Volunteering at APA

In order to volunteer at American Preparatory Academy, it is a requirement that each individual who plans to volunteer at APA completes the fingerprinting procedure. Volunteering opportunities may be in the classroom, at athletic events, on field trips, or any other time spent on school grounds or with American Preparatory Academy students. The fingerprinting process is not transferable (i.e., switching parents on the morning of a field trip) and must be completed by each individual who will be volunteering. Fingerprinting sessions are available by appointment only. To schedule your appointment, click the link at the bottom of this page. You will need to plan your appointment at least seven (7) days before your first volunteering appointment to ensure timely processing. You will be expected to present a government-issued photo ID and sign a consent form. If you have any questions/concerns regarding the fingerprinting process or if you believe you already have a valid background check on file with APA, please feel free to reach out to Brenna Fontaine at bfontaine@apamail.org.

Thank you for your
commitment to the
safety and well-being
of our students!

MAYOR'S CHOICE AWARD

Sandy Arts Guild organizes an Elementary School Art show each year for all the local schools to participate. Many of our students' art were submitted for the show and won awards. Each year, Mayor Zoltanski views the Elementary School Art Show and selects a few of her favorite submissions to hang in

Sandy City Hall for the next year. After the display in the Shops at South Town ends, each chosen submission will be framed and then hung on the walls in City Hall until next year's art show. After next year's winners are announced, the framed artwork will be returned to the students. This year Art

created by our second grader **Sai Kruti Bheema** has been selected for the **Mayor's Choice Award**. Her Art will be hung at the Sandy City Hall until next year. Many congratulations to our budding Artist!
