2024-2025 Enrollment Opportunity

Hello American Prep families! We have a special request to make of all our parents and staff. This year is the last year we will receive the federal funding that we have received since COVID. This means that we will be faced with cutting programs or staff positions UNLESS we can add students to our schools. We prefer to add students! But to do this, we need your help! Over 90% of our new students hear about our school through friends or family members. This means that YOU are our BEST AMBASSADORS! We have opened new classes at our schools for next year and need to increase enrollment by 300 students district-wide. We currently have about 5,000 students and we need 5,300 in order to keep our programs in place. Today we sent home a flyer with your child. Please take a picture of it and send it to as many people as you can. The flyer will also come out in an email next week. Campuses will be holding evening open houses after spring break. The flyer has a QR code that lists the Open House dates, times and addresses.

THANK YOU FOR YOU HELP
IN BRINGING APA TO
300 MORE LUCKY STUDENTS!

Volunteering at APA

In order to volunteer at American Preparatory Academy, it is a requirement that each individual who plans to volunteer at APA completes the fingerprinting procedure. Volunteering opportunities may be in the classroom, at athletic events, on field trips, or any other time spent on school grounds or with American Preparatory Academy students. The fingerprinting process is not transferable (i.e., switching parents on the morning of a field trip) and must be completed by each individual who will be volunteering. Fingerprinting sessions are available by appointment only. To schedule your appointment, click the link at the bottom of this page. You will need to plan your appointment at least seven (7) days before your first volunteering appointment to ensure timely processing. You will be expected to present a government-issued photo ID and sign a consent form. If you have any questions/concerns regarding the fingerprinting process or if you believe you already have a valid background check on file with APA, please feel free to reach out to Brenna Fontaine at bfontaine@apamail.org.

Thank you for your commitment to the safety and well-being of our students!
