PARENT EMPOWERMENT

In 2022, there were around 580 human trafficking victims in Utah, with over 700 cases since 2007. This issue is happening right here, not just elsewhere. Sex and labor trafficking affect people of all ages and genders. Do you know how to spot the signs? Join us for a Virtual Parent Empowerment night on Tuesday, January 14th at 7pm to learn how to recognize, protect against, and report human trafficking.
