and would like to know as soon as possible.

Our summer office hours will typically be Monday through Thursday, 10:00 am – 1:00 pm. Cathie Adamson is also available through email anytime at [cadamson@apamail.org](mailto:cadamson@apamail.org).

**If your family or student(s) decides to withdraw, we must have two withdrawal forms signed and the Summer Stay Sharp packets returned. If you are not returning next year, we of course would not send the Summer Stay Sharp packet home with your student.**

Thank you!!

### **Memorial Day "Buddy Poppy"**

As part of our Memorial Day Celebration, each of our students will be given a "Buddy Poppy" to wear for the day and to take home. These artificial poppies have been a symbol of fallen and wounded veterans since World War II. They are traditionally sold on street corners by veterans, and donations received in return for these artificial poppies have helped over the years countless veterans, widows, widowers and orphans of fallen soldiers. The poppy itself continues to serve as a perpetual tribute to those who have given their lives for our nation's freedom.

***Our school will be accepting donations for our veterans through Tuesday, June***

***6th.*** Please use the envelope stapled to your student's learning plan, or come to the office and pick up another one, and turn your donations in to your student's teacher or the main office. ***We would appreciate your donations turned in by Tuesday, June 6th.*** Your donation will be greatly appreciated by the VFW branch, which has provided us with the poppies.

***As of Thursday, June 1st we have collected about \$300.00. Thank you for your generosity and kindness!! We will be accepting your donations through Tuesday, June 6th.***

### **Recycling**

We have a recycling bin located in front of our school on the west side, we are in danger of losing it. As a school, we don't have enough recycling to put in it. If you have any newspapers or broken down boxes, please feel free to use this recycling bin to throw your paper products away. We have added more blue recycling bins around the school to promote better recycling practices. Let's all work together to do our part and recycle more!!

### **Free Dress Days**

In the future, we will be offering some free dress days. Here are the guidelines -

- **Free Dress means modest clothing: shirts with sleeves (no tanks), shorts and skirts within 3" of the knees, no negative messaging including obscenity or profanity, no slippers or open-toed shoes, no pajamas.**

## Soccer

### **APA Draper 1 and APA Draper 2 parents who might be interested in their kids playing Recreational Soccer in the Fall of 2017.**

Coach Shaughnessy would like to help organize our APA soccer players ages pre-K through 7<sup>th</sup> Grade into teams for a Recreational Soccer program. We hope this will provide opportunities for our younger students to play on teams together.

Coach Shaughnessy will have all of the information concerning registration dates, fees, etc. - as well as registration forms - and would be happy to share these details and help organize teams. If we get enough positive feedback, perhaps we could have a meeting at which parents could fill out registration forms for the Fall 2017 season and volunteer parent-coaches could be selected. If interested please email Coach Shaughnessy at [coachshaughnessy@yahoo.com](mailto:coachshaughnessy@yahoo.com)

## **ATTENTION!! Exclusive offer for Draper APA Students**

You can support our Athletic Program and keep your students engaged, active, fit and maybe find a new passion. Pinnacles Gymnastics has classes for all levels of boys and girls. Luke Evans who owns and runs Pinnacles is a good friend to APA and our programs. The Groupon tickets can be bought at the front office of Draper 1 & 2 for \$12 (Please make out the check to **APEF "athletics"**). You then pay Pinnacles \$25 for a session, which is normally \$100. So that is \$37 for a \$100 value while keeping your student busy! (See attached flyer)

## **Privacy: How Much Should Kids Have?**

Have you ever heard a parent say something like, “I don’t feel comfortable searching my daughter’s room. I don’t want to invade her privacy.”?

Perhaps you know a child who is severely bent out of shape because their “Neanderthal” parents won’t allow them to keep a computer in their bedroom.

Where do I stand on this issue?

- It’s our job to *do our best* to know what’s going on in our children’s lives.
- It’s our job to know what’s in their rooms.
- It’s our job to *do our best* to know what they are doing on their computers and their phones.
- It’s our job to *do our best* to meet their friends and understand what they are involved in when they are hanging out.
- When we do these things, we send the message that we love them enough to be involved in their lives.

Parents who do such things will likely hear, “You don’t trust me!” If so, respond with the following:

*We love you. Do you think we do these things to be nosy and obnoxious... or do we do these things because we love you and want to help you stay safe?*

This question is not designed to change their mind. It’s simply designed to plant a seed within it. When we consistently demonstrate love and concern... rather than a dictatorial attitude... this seed has a chance to grow.

As a society, we’ve lost far too many good kids to drugs, alcohol, pornography, suicide, video game addiction, etc., because we’ve been afraid of invading privacy. In our *Teen Package* you’ll find a treasure chest of ideas for staying highly involved in your teen’s life... without creating massive power struggles and rebellion.

Thanks for reading! Our goal is to help as many families as possible. If this is a benefit, forward to a friend.

Dr. Charles Fay
