Character Development Culminating Assembly

We had a wonderful time on Tuesday May 23rd as we reviewed our Builder Values from the past year at our annual Character Development Culminating Assembly. Our heroes from our chew time videos "magically" visited us at our assembly, and then started afterwards to meet and greet and sign autographs. THANK YOU to our administration, teachers and instructors for their hard work and support. AND a huge shout out to our INCREDIBLE parent volunteers! You made the event run so smoothly. As some parents requested, here is a list of the links to all of our chew time videos featuring these heroes this year. Enjoy!

Field Day

I wanted to take this opportunity to thank all the wonderful parents, grandparents, siblings and staff who have volunteered and made generous donations this past school year. We have thrown some incredible events (it's hard to top that CommUNITY Mult-Cultural Night!!!), gone on some adventurous Field Trips, spoiled teachers, instructors and staff to meals, treats, little gifts, Treasure Box items, and the occasional soda bar. We've also kept the staff lounge loaded with coffee, tea, hot cocoa, apple cider and delicious coffee creamer ALL YEAR! We know so many of you grade papers, clean classrooms and help out weekly and you are immensely appreciated! If you have not done so already, please make sure to log your donations and volunteer hours. The link to that is in every Newsletter. Our schools and our kids' success is always impacted by parent participation! So keep it up and I'll see you around! Hope you all have a great summer :)
