Virtual Parent Empowerment: Mental Health and Wellness

Among the many lessons learned during the last few years has been just how important it is to pay attention to our mental health and wellness as well as our physical health. In reality, our physical and mental health are intertwined. Most symptoms of mental illness emerge in the teenage-young adult years. Join us in our Virtual Parent Empowerment on Tuesday, November 14th at 7 pm as we explore what is mental health, how to identify symptoms of mental illness and how to get help, and the protective factors to help avoid serious issues. This topic is appropriate for students and parents so invite your students to participate with you. See you on zoom!

FSO Corner

Volunteer Opportunity

Mrs. Peery could use some help! She is currently without an instructor, and the FSO would like to invite ANY PARENT--regardless of whether you have a student in her class--to volunteer to help her out! We could especially use parents to read to kids during lunch. Grading help would also be great!

If you are able and interested, please contact Mrs. Peery's AST: Lindsay (801)703-3512 / lindsayandcraig@gmail.com

Assisting her will be members of the current D3 team who will mentor, encourage, and model for the younger dancers.
