All New Multi-Medium Art Classes
Art Haven has all new multi-medium experiences every session, with both two and three-dimensional art. We'll experiment with materials such as, sculpture, printmaking, charcoal, watercolors, acrylic, chalk, pastels and more!
Discover art history and culture as students use their imagination to turn their ideas into reality. Combining fine art with sculpture and mixed media will provide each child with the knowledge and skills they need to unleash his or her creativity and the ability to produce beautiful works of art. Don't miss out on this Total Art Experience with Art Haven this year! Dress for mess and join us this session for creativity and fun!
