Special Thanks

THANK YOU Draper One campus for a wonderful fall festival. We had so many incredible volunteers who helped make our event a success. We hope you had a wonderful night with your families.

We loved being with all of you. You also helped our Draper 3 teams and our school raise over \$6000! You are kind and generous and we cannot thank you enough! Special shout out to Robbie Lee for providing us with music all night; to Hina Yazdani for coordinating the cookie decorating; to Patty Dominguez for arranging our pizza meals, and to EVERY ONE of you who helped plan, set up, brought carnival games, sold tickets, cleaned up, and so much more. You are amazing.

We also want to include a BIG shoutout to Mandy Brown, with our Character Development team. This event could not have happened without her.

THANK
YOU

10/3 - 11/21
*No class 10/17 due to Fall break

7 Weeks for \$135
Grades 1-6
24 Student limit

All New Multi Medium Art Classes
Art Haven has all new multi medium experiences every session, with both two and three-dimensional art. We'll experiment with materials such as: sculpture, printmaking, charcoal, watercolors, acrylic, chalk, pastels and more!
Discover art history and culture as students use their imagination to turn their ideas into reality. Combining fine art with sculpture and mixed media will provide each child with the knowledge and skills they need to unleash his or her creativity and the ability to produce beautiful works of art. Don't miss out on this Total Art Experience with Art Haven this year! Dress for mess and join us this session for creativity and fun!

Time is Running Out

Did you know that applying for the Free and Reduced Lunch Program can help our entire school community? By participating, you not only provide your child with nutritious meals but also contribute to additional funding and resources for our school.

Even if you're unsure whether you qualify, we encourage all families to apply. Your application helps us secure vital funding to support educational programs and enhance our facilities.

Applications are quick, confidential, and available online or at the front office. If you need any help with the application process or have questions, please reach out to Mrs. Forbes at 801-553-8500 or directly to the APA Lunch Program at lunch@apamail.org.

Complete Form by Oct. 1st!

Math Counts

Calling 6th grade Mathematicians!
Math Counts is back! Math Counts is a math competition club for students in 6th-8th grade. Practices will be on Tuesdays from 3:10-4pm at D3. If you would like to try out for the team, please fill out the form.

Reminders from the Front Office

- Please make sure you are going into the building to check-out your child. We will not call them out of class until you are present, to ensure they do not miss more academic minutes than necessary.
- If your child will leave at a different dismissal that day, please email the teachers to let them know ahead of time.

Log Volunteer Hours here

Be sure to fill out this form every time you volunteer!
