Parent Empowerment Night

Virtual Parent Empowerment: Suicide Prevention

What if you knew how to prevent death for your child? What would that be worth to you? Suicide is the #1 killer for our kids 10-24. Adults are also plagued by suicide with middle-aged men having the highest rate. However, there is something we can do and it's proven effective. Join us on

Tuesday, October 8th at 7 pm for a Virtual Parent Empowerment Workshop on Suicide Prevention. We will learn to recognize the signs of suicide, learn how to ask someone about suicide, and how to help get them to help.

We will also look at ways to improve mental health and prevent suicide ideation and attempts. Everyone really can make a difference! Feel free to invite family and friends over and participate together.
