Pilgrim Program and Feast

Attention
ELC
Parents!!

In history, our students are learning about the Pilgrims leaving England and starting a new life here in America. Each class has been practicing for their Pilgrim Play where they will be performing songs they have learned, sharing lines they have memorized, and participating in a Thanksgiving feast. We welcome all parents to come and see our students perform. See program times on the first page, they will start promptly at those times. There are many wonderful opportunities for this event. Please look for a sign-up genius to come shortly.

We heard it in the halls...

I am cold-blooded because I never get cold, but I am also warm-blooded because I never get hot.

Virtual Parent Empowerment

Mental Health & Wellness

Among the many lessons learned during the last few years has been just how important it is to pay attention to our mental health and wellness as well as our physical health. In reality, our physical and mental health are intertwined. Many symptoms of mental illness emerge in the teenage-young adult years. Join us in our Virtual Parent Empowerment on Tuesday, November 12th at 7 pm as we explore what is mental health, how to identify symptoms of mental illness and how to get help, and the protective factors to help avoid serious issues. This topic is appropriate for students and parents so invite your students to participate with you. See you on zoom!

Please make sure you are going into the building to check-out your child. We will not call them out of class until you are present, to ensure they do not miss more academic minutes than necessary.

If your child will leave at a different dismissal that day, please email the teachers to let them know ahead of time.
